 BY M6 WY. WIND 4238 P ET.

HERE'S A YOUNG 3 YR OLD MODERATE FRAME, GOOD UDDERED,
 GOOD FOOTED COW THAT WILL BE AROUND FOR A LONG TIME. SHE
 HAS A COUPON TO BOOT. COULD BE BRED BACK TO THE SAME BULL
 THAT PRODUCED THE COUPON. THIS IS HER SECOND CALF.

RIDDER FARMS

Ridder Farms operates in Hermann, MO. on land homesteaded in 1839 and lived on by seven generations of Ridder family. Dale and his sons Doug, Dustin and Derek became involved in Charolais when Doug showed the 4-H Champion Charolais heifer at the 1983 Missouri State Fair. Currently Derek is most involved in the business of raising Charolais cattle, fitting and showing across the country. The current herd was selected on moderate frame and show ring appearance with continual emphasis on performance traits. Numerous class winners and several divisional champions at National Charolais shows attest to the success of their selection process. Two of the "Top 10" AICA Show Heifer of 2008 were Ridder bred females. Ridder Farms is a quality source of Charolais cattle with the "look" to show and pedigree and performance to make great producers.
